

# 19th July 2019

## Oak and Beech Class

### Just to Let You Know

#### Geography and writing:

This week we have been learning about some of the culture and the animals of Australia. We looked at many examples of Aboriginal art before carefully creating our own pieces.

#### RE:

In RE this week we rounded up our learning about Judaism by replicating a Shabbat celebration. We shared bread and lit candles while sitting around a nicely dressed table.

#### Maths:

We recapped all our learning so far in maths by practising addition/subtraction, fractions, telling the time, length/weight/volume, place-value, and shape. We did this through a range of pirate-themed activities.

This will be the last Just to Let You Know for this academic year so we will use it to thank you all for your support this year. Thank you for help during trips, including the Wild Place, sticking, and reading. We have been grateful for all the hard work that has gone on at home, including reading and completing the sound of the week book. Thank you for supporting celebration afternoons and dress-up days. We really do appreciate the time you put into these events which help keep our teaching and learning exciting. We wish you all a wonderful summer and we will see you all in September!

Year One Team.

## Reminders

**Our celebration afternoon is on Monday 22nd of July from 1.30pm.**

**We break up on Wednesday 24th of July at 1.30pm and 1.45 at the junior site.**
