

## JTLYK Reception

### Friday 19th July 2019

We look forward to welcoming you from 1.30 pm on Monday afternoon to look at your child's file of work and to take home the artwork from their Learning Wall.

This is also an opportunity to chat with us if you have any comments or queries from your child's report.

Please feel free to take your child home early on Monday.

#### A Few Last Bits ...

The last reading books will come home for the weekend and should be returned on Monday as usual. We will then return the jtlyk book for you to keep as reference material.

Please try to do some reading over the holidays as 6 weeks is a LONG time and children do forget!

Don't forget that we break up for the summer holidays at 1.30 on Wednesday.

Dear Parents

As we hurtle towards the end of term we are still learning - hooray!

We have learned all about wonderful bees this week. We have had a honey tasting, written questions to a bee, made bees out of paper and learned all about how honey is made. Do you know when a bee is like a worm?? Ask your child!

Our caterpillars have miraculously metamorphosed into beautiful butterflies this week. We were then able to write the next entry into our Caterpillar Diaries. Just today we were able to release our butterflies and write our final entries.

We have taken part in the final PE lessons this year by recreating our brilliant sports day! The children are now experts at many sports but especially the hurdles, relay races and javelin throwing! Well done Yr R.

5 more sleeps!

Reception Team :))
